**BADMINTON ASSOCIATION**

**2017-2018**

## **MEMBERSHIP-**

It is very pleasing to report the membership has increased to 213 members. This reflects the membership is starting to show a steady increase over the past twelve months and we are still experiencing a far greater use of the courts by the general public and in our Sporting Schools programme sponsored by Badminton Australia.

## **SPORTING SCHOOLS PROGRAMME.**

The S.T.B.A. acknowledges the commitment that Badminton Australia is making to assist in promoting Badminton in our schools. Our coaches are in constant contact with these schools to promote the sport through coaching and having fun with the game. The end game is to bring these students into the badminton family.

## **DEVELOPMENT OFFICER.**

The S.T.B.A. has engaged the services of a development officer during this year and this is starting to show results with the enthusiasm around the courts and the participation of our juniors in shuttle time programmes and the Saturday Afternoon Junior Super Smash which is a team event for our Juniors so they can try competition as well as receiving coaching so preparing them to enter into our rosters.

## **ROSTERS 2017-2018**

The STBA has reverted back to 3 rosters in this calendar year namely roster 1, 2, 3. This means all 3 will run during the calendar year. A one week break between rosters has had a positive outcome for our members. We recognise the extra work the match and tournament committee have given to finally get the result they planned.
