

## 2021 STBA tournament grading list

### Guideline:

- This list includes STBA players who participated in Badminton Tasmania sanctioned tournaments over the past 24 months.
- Grading is reviewed and adjusted after each tournament throughout the year based on players' performance/results.
- This list is used as a reference point for entries to all tournament for the players and referee.
- The STBA grading subcommittee reserves the right to apply its discretion where necessary.

### Grading Criteria:

Unless the grading sub-committee considers that there are reasonable grounds to decide otherwise, the following general rules apply:

*in most recent 12-month period:*

- if a player wins 3 titles of his/her current grade or 1 title in the grade above his/her current grade, the player will be promoted to one grade above immediately; regardless of the events he/she wins.
- if a player loses in the 1st round in 3 separate events of his/her current grade, the player will be demoted to one grade below.

For players who are new to tournaments and have not yet been graded, please kindly contact the tournament organiser or the grading committee to seek advice prior to submitting your entry to your first tournament.
