

## **STBA Social Session Guidelines:**

### **Game Rules:**

- All players should play doubles games.
- All players should play two sets to fifteen points with no setting at any one time.
- Once a group has finished their two sets, players should swap with any waiting players so that every player gets a fair turn.

### **Player Etiquettes:**

- All players should participate in STBA Social Sessions with a friendly and welcoming manner.
- All players should encourage new players to join in if they are looking lost or unsure of where to play.
- All players should encourage each other to rotate and swap with other players after they have played their two sets to 15.
- Players are not to delay the flow of games by providing unwanted advice or unwanted coaching.
