last updated: March 2022

- Guidelines:**
- This list includes STBA players who participated in Badminton Tasmania sanctioned tournaments since 01/01/2019.
 - Grading is reviewed and adjusted after each tournament throughout the year based on players' performance/results.
 - This list is used as a reference point for entries to all tournament for players and referees.
 - The STBA grading sub-committee reserves the right to apply its discretion where necessary.

Grading Criteria:

Where the STBA Grading Sub-Committee considers appropriate, a player's grading may be adjusted based on his/her performance, prior to the following criteria being met:

A player may be regraded, if in the most recent 12-month period:

- a player wins 4 titles of his/her current grade or 2 titles in the grade above his/her current grade, the player will be promoted to one grade above immediately; regardless of the events he/she wins.

- a player loses in the 1st round in 3 separate events of his/her current grade, the player will be demoted to one grade below.

For players who are new to tournaments and have not yet been graded, please kindly contact the tournament organiser or the grading committee to seek advice prior to submitting your entry to your first tournament.
