

STBA Tournament Grading List

- This list includes STBA players who participated in Badminton Tasmania sanctioned tournaments since 01/01/2019.
- Grading is reviewed and adjusted after each tournament throughout the year based on players' performance/results.
- The STBA grading sub-committee reserves the right to apply its discretion where necessary.
- This list is now in alphabetical order, according to players' last names. If there is an error, please let us know and we will rectify it for future releases

For players who are new to tournaments and have not yet been graded, are from interstate, or do not agree with your grading and would like to be reviewed, please kindly contact us prior to submitting your entry to an STBA Tournament by sending an email to grading@stba.net.au
